

We will be working with each state to develop court worthy evidence covering the violations enumerated in the following chart. As can be seen in the New York example, there appear to be millions of violations of the law embedded in this data and we intend to force an investigation, reconciliation and prosecution of similar claims in each state under black letter law.

New York's 2022 General Election Scorecard

★ 1. Were the voter rolls accurate, as required by the National Voter Registration Act of 1993?

Seemingly Invalid or Illegal Registration Type	Number of Instances
Counterfeit registrations	1,467,399
Registered after 2022 GE cutoff date, yet voted	9,766
Purged with no purge date	1,545,711
Purged records that were never active	712,360
Registered after last voted date	143,226
Voter identity unverified	201,908
Age discrepant registrants (older than 115yo, the oldest known person in the US)	20,023
Registered before age 16	4,910
