Hi Becky,

I am reviewing your CARES Act funding request, and I have a few questions:

(1) \$500 for mailings, notices, and other public communications. Can you provide more information about these mailings and notices? Are they newspaper advertisements? Mailers? What kind of information will they have?

(2) Mail opener to open ballots. I am assuming you are requesting this to limit contact between the poll worker and the ballot due to coronavirus concerns. Could you confirm?

Please let me know by the end of this week.

Thank you,
Derek Brenchley

Mailers and notices that we will be all by mail. Yes a mail opener to limit contact. We have been opening ballots by hand and I think this would help with handling. You can remove the \$300.00 for PPE. I hope we can get that locally.

Thanks for the clarification. I'll keep the \$300 for PPE if that's alright with you. Even if you obtain PPE locally, the federal funds can cover those costs.

You should hear back from me early next week on the award.
