Dear Ms. Parmer:

The Office of the Utah Lieutenant Governor reviewed the voting equipment certification application for the ES&S EVS 6.0.4.0 voting system. SLI Compliance, a laboratory that has been accredited by the United States Election Assistance Commission (EAC), determined that ES&S EVS 6.0.4.0 voting system meets the required acceptance criteria of the EAC Voluntary Voting System Guidelines (Version 1.0) and recommended that the EAC grant certification.

SLI's testing results and recommendation meet the voting equipment certification requirements outlined by Utah Code Annotated § 20A-5-802. Therefore, ES&S EVS 6.0.4.0 and its components described in the test report are certified by the State of Utah.

Sincerely,

A handwritten signature in black ink, appearing to read "Spencer J. Cox".

Spencer J. Cox  
Utah Lieutenant Governor
