## **Order Instructions**

---

Instructions

Eligible users must reference this contract number when ordering.

For ease in using this contract, eligible users are encouraged to download for review, **Other Documents:**

- **Attachment D: Utah Pricing 2019**
- **Attachment E: PreDeployment Checklist**
- **Attachment F: End User License Agreement** (Knowink Master Agreement)

This contract covers only those procurement items listed. When placing orders, make sure to identify your organization as a government entity and provide the contract number. It is the responsibility of the ordering agency to ensure that the vendor is given the correct delivery and billing address.

Eligible Users using FINET are recommended to use a DO to PRC or a PRC to make payments on purchases from a State Cooperative Contract in order to effectively track payments against the contract in FINET and Data Warehouse. If a DO to PRC or a PRC is not possible, Eligible Users using FINET may also use a GMA. Please utilize the vendor code on the contract when making payments. If you receive an invoice that does not match the vendor information on the contract, please notify the Division of Purchasing prior to processing your payment.
