Reason for Hope

Montana

- We outlawed the acceptance of CTCL money.
- We created consistent precinct sizes across the state.
- A modem in your election system is a felony
- We have paper ballots
- We prevented Rank Choice Voting bill from coming to the legislature
- We killed the Jungle Primary Bill which was promoted by the MTGOP

11/8/22 2045 Election night. Carbon County MT Election Administrator

Reason for Hope: Lawsuit Success

Montana

- Lisa and Chip Bennett of Carbon County
- Broken warranty seal
- Tabulator adjusted for "altitude"
- Video of ballot shredding

Reason for Hope: Hand Count Success

Montana

- 10 counties in MT still hand count, 3 of which Dr Frank was unable to predict the outcomes.
 - Which begs the question "WHY?"
- Gearing up for a local ballot initiative to make Hand Counting at the precinct level the primary means of counting.
 - Currently collecting contact information, volunteers willing to be trained and work the election without pay.
 - Working on language for initiative; defining "...single comprehensive issue"
