

CARES ACT PRIMARY ELECTION NARRATIVE

STATE OF UTAH

OFFICE OF THE UTAH LIEUTENANT GOVERNOR

The federal government requires a report after each primary and general election that includes a full accounting of the uses of the CARES Act and an explanation of how the funds were used to prevent, prepare for, and respond to coronavirus. **Please submit this narrative to elections@utah.gov no later than July 16, 2020.**

1. How did the county use the funds to address the pandemic?

Millard County purchased a new ballot drop box for our office to avoid as much foot traffic as possible. We also sent letters and published notices in the paper regarding the processes and the All vote by mail information. We also paid for return postage if someone failed to include a stamp when mailing their ballot.

2. What were some challenges and major issues the county faced in responding to the pandemic?

Our election really went pretty smooth. Our voters are used to the by mail option and not too many people made inquiries on how to return their ballot. We had a few people come into the office; however, we have glass in between us and the public; we have and provided masks to our staff along with gloves. Our foot traffic was bare minimum.
