Hi Michelle,

Thank you again for submitting this request. I had one question on the \$70,200.00 expense for "I Voted" stickers. Can you provide us with an explanation on why this is related to COVID-19 measures?

Thanks,  
 Derek

Hi Derek,

Thanks for allowing us to clarify!

Because of COVID-19, we are doing everything in our power to encourage only the people who need to use in-person voting to go to an early or election day vote center. In an effort to encourage people to vote their by-mail ballots, we have put a sticker in the instructions to dissuade people from going to in-person voting (for those who show up just to get a sticker.) This protects the other voters and poll workers from unnecessary additional traffic at the vote centers.

Best,
