Explain This

DOE Logic and
Accuracy Test: 2022
School Board Elections

~13-25% of
"Absentee" ballots
won't scan? Required
"Duplication"

DOE Personnel: Some
"Light Timing Marks"?

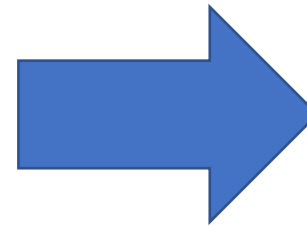

DOE Public Counting
of 2022 School Board
Elections

Between pre-screen
(~6% +/-) and scan
rejects (~12% +/-)
about 18% of
"Absentee" ballots
required "Duplication"

Those are really
small sets of data.

Any larger data sets
that might be
related?

FOIA Response 2020
General Election

47,205 ballots sent to
adjudication.

If all "Absentee or
Mail In".. That would
be about ~20%+/- of
that category.

Could items above disqualify certain parts of the system?

Roadblocks

Board of Elections Communications

- Hadn't met in 7 of 12 months. (Board Vacancies)
- No email or contact info.
- Live "phone" meetings. You have 3 minutes sir
- They may just not know

Department of Elections Communications

- Individuals in person are very helpful, professional and friendly. Happy to address common questions.
- As questions get harder and perhaps more sensitive..... Slow or no response and FOIA roadblocks.

Not Sure People are Busy: Have Limits

- People have said they have data or reports they will send or have someone contact you....and it doesn't happen. Are you getting stonewalled?
- I look at my own limits and know I didn't follow-up on some of these so not fair to throw stones yet. Most want to help.
- Response Tracking

Victories

It's Election Season!

- Candidates will be door knocking, making speeches, asking for support. That's an opportunity!

- Ask them:

Where do they stand on the Machines?

What are they doing to clean up voter rolls?

Are they planning to exercise their right to "examine the ballot" (count ballots) on election night?

Get out to your local party meeting and find something to do.

(There may be more, if I missed, I apologize)

Citizen Efforts

- Conservative Caucus of Delaware: Not specific to Election Integrity but events and articles by local authors related to election integrity.

- DelawareCounts: Presentation. Overview of logistics of elections. Detail review of processes, observations of DOE public demonstrations. Problems and proposed solutions.

- Delaware Election Integrity Task Force: GOP Effort. Recruitment and training of Challengers, get out the vote effort.

- Patriots4Delaware: Did some of initial investigation into the numbers re: 2020 and through FOIA surfaced some of most significant findings. Thank you.

Other

- One reason we may not know of the news could simply be our limits, or that efforts may not be reported in the "Old" media who for some reason seem to want to avoid or even suppress election integrity topics.

- Try to get your group connected to Frank or Cause of America to try to get the word out.
