Dear Ms. Parmer:

The Office of the Utah Lieutenant Governor reviewed the voting equipment certification application for the ES&S ECO 1103. Pro V&V, a laboratory that has been accredited by the United States Election Assistance Commission (EAC), determined that the ES&S ECO 1103 meets the required acceptance criteria of the EAC Voluntary Voting System Guidelines (Version 1.0).

The testing results from Pro V&V meet the voting equipment certification requirements outlined by Utah Code Annotated § 20A-5-802; therefore, the ES&S ECO 1103 is certified by the State of Utah.

Sincerely,

A handwritten signature in black ink, reading "Deidre M. Henderson", with a stylized flourish at the end.

Deidre M. Henderson
Utah Lieutenant Governor
