Voter ID Required

No Drop Boxes

Precinct-Level Counting

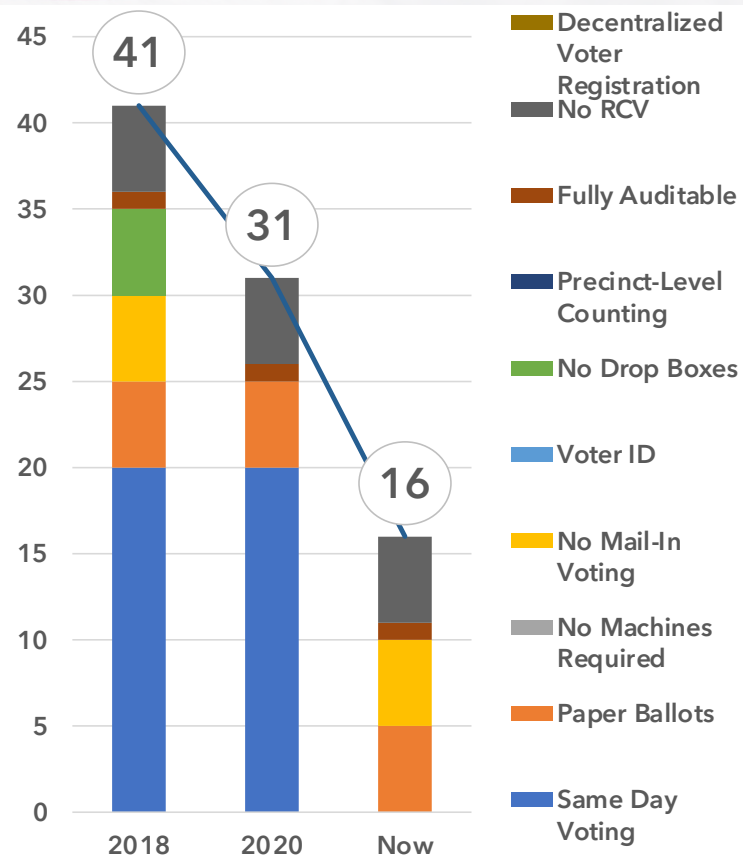

Fully Auditable

No Ranked Choice Voting

Registration Managed Locally

Reason for Hope

Delaware

- More individuals, AND more groups in active participation in LATs, Post Election Audits, Challengers, Cleaning up voter rolls.
 - INDIVIDUALS
 - DE Grassroots GOP
 - Cause of America
 - Conservative Caucus of DE
 - KC Voter Roll Clean-up effort.
- Independent AND Affiliated Efforts!
- With more interaction...."better" relationships with some of DOE.
- GOP Effort: New State Chair: Probably a significant reason we have a new state chair is because of how EI was handled in past.
- Expect more "Precinct" Level focus, more volunteers, more traditional EI and pre-election efforts....as opposed to just a disguised GOTV effort.

Reason for Hope: Lawsuit Success

Delaware

- **Background:** After 2020 election, legislature passed laws that:
 1. Allowed for same day registration and voting....up to the day of voting.
 2. No Excuse Mail In Voting and Expansion of reasons a person could request an "Absentee" Ballot.
 3. In Person Early Voting.
- **Two Challenges:** Eliminated #1 and #2 above, thanks to former and current GOP chairs

Reason for Hope: Hand Count Success

Delaware

- Hand recount showed errors in machine count
- Hand recount proved that more votes were recorded by machine, than actual ballots found
- These observations strengthen the argument for hand counting and more redundant checks on existing systems
