Roadblocks

Secretary of State Brad Raffensperger

- Bought unverifiable voting system that U.S. District Court found to violate two Ga. statutes
- Filed motions and falsely intimidated counties to block unsealing of ballots

Gov. Brian Kemp, AG Chris Carr

- Ignored Constitutional authority to conduct audit or investigate 2020 election
- (Art. V, Sec. 2, Para 2)
- O.C.G.A. § 45-15-17

Two Superior Court Judges

- Dismissed Fulton ballot case by defying all state and U.S. Supreme Court precedents
- Improperly dismissed Dominion case without evidence and failed to rule on sufficiency of complaint

County Attorneys

- Refused instructions by board to write motion to unseal ballots
- Gave election board false info to prevent 2022 audit
- Investigated Trump phone call instead of known Fulton election fraud evidence

Victories

Lawsuits

- Forced Gwinnett Co. to produce ballot images and won attorney fees

Citizen Efforts

- Lobbied Bibb Co. election board to conduct audit 2022 SOS primary
- Trained, credentialed thousands of poll workers and poll watchers

Legislative Efforts

- Successfully lobbied to make ballot images public record in 2021
