Dear Ms. Parmer:

The Office of the Utah Lieutenant Governor reviewed the voting equipment certification application for the ES&S EVS 6.1.0.0 voting system. The United States Election Assistance Commission (EAC) certified the EVS 6.1.0.0 voting system on September 24, 2019 and therefore meets the voting equipment certification requirements established by Utah Code Annotated § 20A-5-802.

ES&S EVS 6.1.0.0 and its components described in the EAC's scope of certification are hereby certified by the State of Utah.

Sincerely,

A handwritten signature in black ink, appearing to read "Spencer J. Cox", written over a horizontal line.

Spencer J. Cox
