## Reason for Hope

### Alabama

- **HB 457 made it past committee (Unanimously) - Puts Post Elections Audits into Alabama law. Currently we are only state that doesn't have a post election audit.**
- **The state conducted a pilot audit after 2022 elections. Three random selected counties (selected by SoS); three precincts from each county, with two races. One race audit revealed a vote flip (governor's race).**
- **Making progress on the education front, with grassroots groups traveling to different counties speaking on election integrity.**
